Medical Certificate. No: 110 P

UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India is as follows:—

Certified that we have carefully examined Ghouse Khan son of Gulam Hussain Khan, a Sowar no. 941 in the Mysore Imperial Service Lancers

His age is, by his own statement, 22 years, and, by appearance, about 22 years.

We consider him to be completely and permanently incapacitated for further service of any kind ~~in the Department to which he belongs~~ in consequence of Sequela of Concussion of the brain & we recommend him for the 3rd degree of wound pension

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

(If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made:—

of opinion that

is fit for further service of a less laborious character than that which he has been doing, (or may after resting for months, be fit for further service of a less laborious character than that which he has been doing).
